

RWS FINANCIAL GROUP COMMUNITY OUTREACH INTERNSHIP PROGRAM

The RWS Community Outreach Internship Program is a 15-30 hour/week internship opportunity designed to help students gain meaningful real-world experience while contributing their knowledge and talents to our firm.

This internship will consist of several different projects and activities including; lead generation, healthcare & department events, networking, shadowing industry leaders, exposure to different online work space programs/platforms, hands on prospect marketing and collaborating with other students to come up with the best business development idea.

This is an unpaid internship. We are willing to work with your school/internship coordinator to grant credit hours towards your degree if offered as an option through the university.
