

InterFaith Leadership Council of Metropolitan Detroit

Communications Internship

Production of Pilot Podcast Series

The InterFaith Leadership Council of Metropolitan Detroit

<http://www.detroitinterfaithcouncil.com/> is committed to fostering an understanding of different faith traditions in the Southeast Michigan region through education programming and various communication channels. The IFLC is engaged in public and scholarly programs that promote understanding of differing perspectives on inter-religious issues, as well as social issues of shared concern to various faiths.

The organization is looking for a communications intern interested in producing a series of podcasts, from scheduling moderator and guests to production and dissemination. Essential podcast concepts and subjects would be provided by the IFLC, but the intern would be charged with administrative follow-through.

The intern would report to the chair of the IFLC Communications Committee.

This is an unpaid internship, but the intern will be paid a stipend for their services.

Interested students should contact Dennis Archambault at 313-477-7239, or email: dennisa645@gmail.com.
